

AMPO

ASSOCIATION OF METROPOLITAN PLANNING ORGANIZATIONS

Member led, member driven.

JOIN THE NATIONAL CONVERSATION

Open to all MPOs, AMPO is a nonprofit, membership organization that has been serving the community since 1994.

About Us

AMPO's mission is to help communities thrive by strengthening the MPOs that plan for safe, reliable, and equitable multi-modal transportation networks that are accessible to all. MPOs vary by size, region, and needs, and AMPO strives to provide innovative approaches and curated solutions to help all MPOs.

AMPO achieves our mission by providing MPO leadership and staff with critical technical assistance and training, creating a collaborative network of MPOs for peer-exchange and knowledge building, developing policy analysis and resources, and advocating at the federal level on behalf of members.

Knowledge

AMPO values being a leading source of information for our members tackling transportation and infrastructure challenges, issues, and opportunities.

Impact

AMPO values our ability to impact federal policy and regulation to benefit its members by advocating on behalf of MPOs nationwide.

Collaboration

Our strength is our network, and we value providing a collaborative space for our members and the broader transportation planning community.

MEMBERSHIP BENEFITS AT A GLANCE

We create a community that shares technical expertise, peer-to-peer networking, and educational development.

7 Interest Groups | Online Discussion Forums

Our interest groups are member led and member driven to meet the needs of our members and include: Active Transportation, GIS & Data Visualization, Core Products, Environment & Resiliency, Safety, Socioeconomic Forecasting, and Transit. Each group has a dedicated forum for year round discussion.

28 Year Round Virtual Meetings | 28 AICP Credits

Join us throughout the year to learn from your peers around the country. Topics range from best practices to lessons learned, and attendees can receive AICP credits.

Annual Conference | 30+ AICP Credits

The only opportunity to join hundreds of MPO planners from all corners of the country, highlighting best practices and exploring the evolving state of the practice.

Spring Planning Tools & Training Symposium | 15+ AICP Credits

A biennial event that provides the technical deep dive MPO staff need, focusing on tools advancing the state of the practice.

Free Job Board | Free RFP/RFQ Board

Tap into the national network for hiring experienced staff and qualified consultants to support your planning efforts.

Leadership Opportunities for Your Staff | 97 Positions

From the Board of Directors, to Committees and Interest Group Leadership teams there are nearly one hundred opportunities for Executive Directors and staff alike to help lead the national conversation while polishing their leadership and presentation skills.

National MPO Leadership Forum | Quarterly

An exclusive opportunity to meet with just the Executive Directors across the country to discuss everything from staffing struggles to cybersecurity to state PL funding distribution formulas.

Breaking News | Funding Opportunities

Stay up-to-date on the state of the metropolitan planning landscape, get our biweekly newsletter with curated content, and real-time alerts for breaking news and funding opportunities.

Policy Analysis | Federal Regulation

We proactively educate federal lawmakers, agencies, and regulators on the role and value of MPOs on your behalf providing valuable feedback on proposed regulations.
